## ARCHITECTURAL DIGEST

# AD's Inaugural Hotel Award Winners

*Because even when travel is disrupted, great design endures*

AD's inaugural hotel awards celebrate the best new openings of the past year. Because even when travel is disrupted, great design endures. We can't wait to check in...

Hotel de la Ville

Rome

An 18th-century palazzo above the Spanish Steps has been reborn as lavishly decorated lodgings (think yards of silk, slabs of marble, and pattern galore), thanks to lead architect and designer Tommaso Ziffer, who was appointed by Rocco Forte's design director, Olga Polizzi.
